TO: The Files

FROM: Ray Jorgenson

SUBJECT: June 26 Meeting with US Ambassador to Argentina Harry Shlaudeman

In addition to the Ambassador and Stephen Palmer, Ray Jorgenson and Ann Florini attended the meeting.

Timerman: Shlaudeman said that Timerman's outspokenness is very controversial even among the Jewish community in Argentina. Reports of anti-Semitic acts have been greatly exaggerated in this country, according to Shlaudeman, and anti-Semitism is not GOA policy.

NR

Disappearances: The disappeared will not be accounted for unless a general amnesty is declared first, as Pinochet did in Chile, or some other kind of ironclad guarantee against reprisals against the military is provided.
